

Keep assignments at your fingertips.

Dynamic and fun learning

TravelMate B3 & Spin B3 with Windows 11 SE
B311R(A) & B311RN(A)

With plenty of features to help students go further and enjoy more interactive learning, TravelMate B3 and Spin B3 come pre-installed with Windows 11 SE, the new operating system built for education. Their military-grade durability combined with a chassis made with up to 15.4% post-consumer recycled plastics make them eco-friendly, built-to-last companions for your pupils.

TravelMate Spin B3

A great allrounder

With the compact and convertible TravelMate Spin B3, students can make the most of interactive learning activities. The dockable Wacom AES pen^[1] and 5 MP HDR world-facing camera^[1] will make classes and assignments more fun, while thanks to 4G LTE^[1] connectivity and 10 hours^[2] of battery life, they are never too far away from their school material. Plus, they can count on its military-grade certified durability and Acer Antimicrobial Design^[3,4] to keep surfaces cleaner and bacteria-free.

TravelMate B3

Ultimate reliability

Compact, high-performing and ultra-durable, the TravelMate B3 helps students get the most out of their classes. With increased daily wear & tear resistance, long battery life, mechanically anchored keys, optional 4G LTE^[1] connectivity and breakneck connection speeds, the TravelMate B3 is the perfect companion in the classroom or on the go.

Eco-friendly creation

On top of delivering a better learning experience, these devices are also environmentally friendly. Their chassis are made with up to 15.4% post-consumer recycled plastic. The TravelMate Spin B3 comes with green packaging and is also available - on selected models - with OceanGlass™ touchpad made entirely of ocean-bound plastic.

Discover new possibilities with Windows 11 SE

Created to answer the needs of K-8 schools

Set up an easy-to-admin, cloud-first and distraction-free learning environment for your pupils and IT staff. The TravelMate B3 and Spin B3 are ready for Windows 11 SE, the new operating system built for inclusive and accessible learning that combines a simplified design and modern management tools with an easy to use interface and an education-first menu of curated apps.
