

LEAD THE DEVICE REVOLUTION

Westcoast is your end-to-end support for the Windows 11 opportunity advanced by AMD Ryzen™

Windows 10 support is coming to an end on 14 October 2025. When that time comes, your customers will no longer get Windows feature and security updates – putting them at risk of cyber breaches and slower performance.

Unlocking opportunities with the Windows 11 device refresh is your biggest opportunity to drive commercial PC sales. And now's the time to act. Working with Westcoast to deliver Windows 11 PCs advanced by AMD Ryzen™ and AMD Ryzen™ PRO processors, puts you in the best place to lead the device revolution.

Upgrading to Windows 11 enables:

42%

faster completion of demanding workloads

On average compared to Windows 10 devices

62%

reported drop in security incidents

Windows 11 Survey Report, Techaisle, Sept 2024

50%

faster workflows

On average compared to Windows 10 devices

80%

reduced number of helpdesk tickets

Commissioned study delivered by Forrester Consulting, Dec 2022

As a Westcoast partner, we offer you full end-to-end support with your customer opportunities. Get advice and technical solutions know-how at no extra cost to you, helping you improve your margin opportunity.

Your customers want Windows 11 devices advanced by AMD Ryzen™ and AMD Ryzen™ PRO processors, because they deliver...

- Business transformation and AI-empowered experiences
- Super-fast performance and advanced PC security
- The power for employees to reach their full potential
